

## **R = Real    I = Imagined    S = Strategies    K = Key Outcome**

As you work your way through exploring the RISK (real, imagined, strategies and key outcomes) answer:

1. What is the worst thing that could happen if I do this?
2. What is the best thing that could happen if I do this?
3. What is the worst thing that could happen if I don't do this?
4. What is the best thing that could happen if I don't do this?
5. Will I be okay with myself with all of those possibilities?
6. Will others "in my world" (spouse, kids, business associates, etc.) be okay with all of those possibilities?
